Gustosando

Some weekends of September and October in Morbegno, Albaredo, Mello, Dubino and Talamona Gustosando takes place.

This event is made because, here in Valtellina, there are a lot of wine cellars and the viticulture is so developed.

In these towns, there are lots of wine cellars. There, it is possible to take part to gastronomic tours, where the visitors drink typical wines of our territory and eat Valtellina's food. This event is a well-established tradition.
