# Damiani today

**School trip to Ponte.**

Some classes from “Damiani” Middle School and others from “Vanoni” Middle School went to Ponte in Valtellina on September 25 2024 to attend the event called “Un ponte di storie” (A bridge of stories). There, two writers presented their book and answered some questions asked by the students.

**The cellars” of Morbegno.**

In Morbegno, there is an event that fills the streets of this city: le cantine. This "festivity" allows residents or tourists to enter these “cantine” and taste wines or typical foods of the area, and, if you want a taste, they take place this Saturday 28 and Sunday 29 (other than the next two weekends) from 4 PM to 10 PM and from 12 to 6PM.
