Saturday 19th October – Our reporter Matteo during our shooting

A TOUR OF 8 MELLO’S CELLAR FOR A TASTING OF VALTELLINA WINES &FOODS

We are in Mello, a nice little Comune, located in a panoramic position on the Cech Coast. Today a lot of tourists are willing to come for tasting good wine and typical food: salami, cheese, desserts. This wine comes from grapes grown on typical terracing all over the poetical Valtellina’s mountain.
